Enquiry Dear Sir/Madam, Have a great day! I would like to inquire about the stamp duty questions as follows: 1. Employment contracts executed before January 1, 2025, are exempt from stamp duty, and. For example, if our employees' previous contract agreement is in 2012 till 2024 will he/she be exempt from stamp duty? So does it mean not required to submit the stamp duty or still required to submit but the stamp duty fee is RM10? 2. Employment contracts executed from January 1, 2025, to December 31, 2025, are subject to stamp duty and are granted late penalty remission based on the power vested in the Stamp Duty Collector under subsection 47A(2) of the Stamp Act 1949, provided that the employment contract documents are stamped on or before December 31, 2025. Meaning the last 3 years employees (e.g year 2022 or 2023) and the last 2 year resigned employees are required to submit for stamp duty right, this info I get from LHDN side, so i want to double confirm whether it is correct or not? And for the employment contract documents stamped on or before December 31, 2025 right, which stamp duty fee is RM10? Thank you.
